WebDT® 312/ 362

Mobile POS Tablet for Point-of-Service Applications

DT Research designs and manufactures a comprehensive line of network-ready information appliances, enabling secure and reliable access to the Internet and applications, anytime, anywhere. The WebDT 312/ 362 mobile tablet is more dependable than a laptop, and offers a larger display than a PDA. Ideal for mobile computing, the WebDT 312/ 362 is user-friendly and ready to integrate with other systems.

Key Features

- Intel[®] Atom[™] processor; high performance with low power consumption
- · Light and durable; ruggedized for handling and storage
- Bluetooth and WiFi connection
- Support for Microsoft[®] Windows[®] CE; Windows[®] XP Embedded; Windows[®] XP Pro for Embedded Systems; Windows[®] XP Professional or Linux operating system
- · Optional 3 mega-pixel camera with auto-focus function
- Optional magnetic stripe reader and barcode scanner
- Optional hot-swappable battery expansion
- Outdoor-viewable display option
- Comprehensive remote device administration through server-based
 WebDT Device Manager software

The WebDT[®] 312/ 362 features the integration of a brilliant 10.4" or 8.4" touch display and a high performance, energy-efficient Intel[®] Atom[™] processor within a slim, light, and durable package. Ideal for network and information access, the WebDT 312/ 362 offers a choice of operating systems, wireless LAN, WAN, high-capacity internal battery, and Citrix ICA and Microsoft[®] RDP client/server computing protocols. With options for 3 mega-pixel camera, magnetic stripe reader and barcode scanner, these tablets offer seamless information capture for instant transmission. With a responsive touch screen, on-screen keyboards, and a variety of VESA mounting options for placement in vehicles, on moveable arms, walls, or mobile carts, this tablet is adaptable to almost any environment.

The WebDT 312/ 362 - mobilize your workforce.

Applications

- Inventory and Warehousing
 Finance
- Education
- Manufacturing
- Healthcare

- Retail
- Control and Monitoring
- Hospitality
